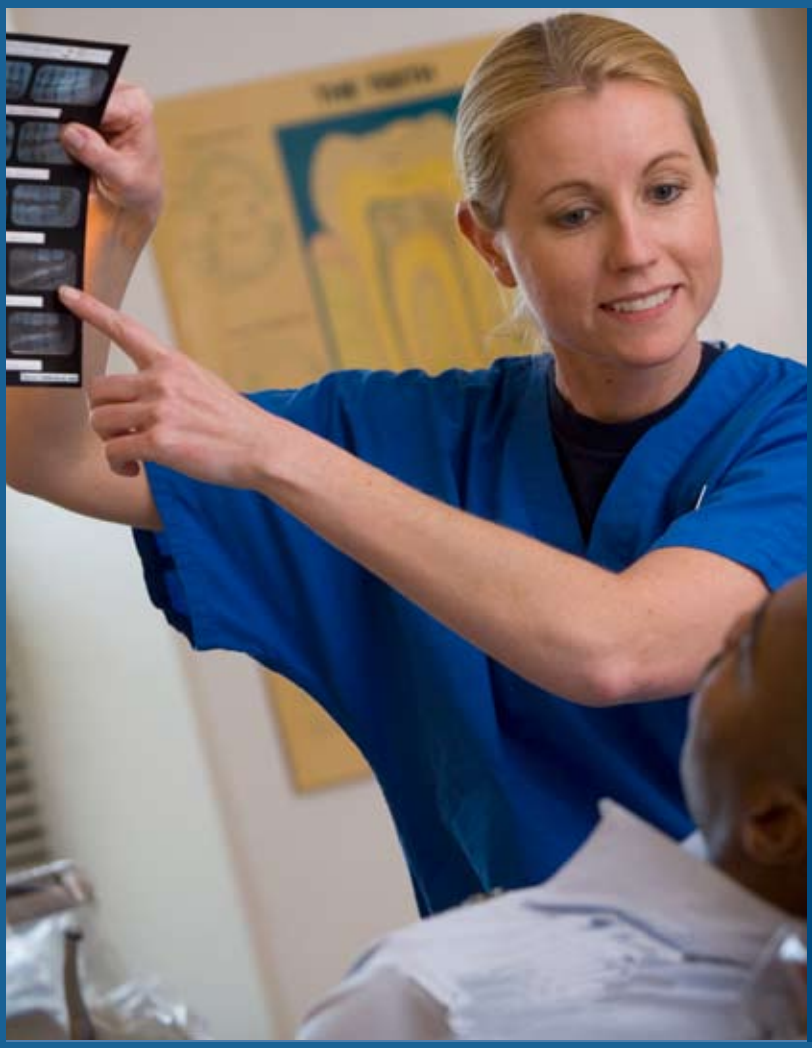
"EACH DAY IS CHALLENGING. EACH DAY IS DIFFERENT. EACH DAY IS REWARDING..."

Commander Robin Scheper, Dentist, USPHS Commissioned Corps



PROVIDING CARE TO THOSE WHO NEED IT MOST.

"As a dentist in the U.S. Public Health Service Commissioned Corps, I do important work for people in need—people who wouldn't have dental care if not for me. From fluoride applications to surgery, using state-of-the-art equipment, I've treated patients of every age all over the world. I make a difference in people's lives every day. I'm also rewarded with an excellent package of salary and benefits, including health coverage, tax-free allowances for housing and food, 30 days of vacation each year, and much more."
