

**JUNIOR OFFICER ADVISORY GROUP (JOAG)
DEVELOPMENT COMMITTEE
UNITED STATES PUBLIC HEALTH SERVICE**

COF Merchandise Available Through JOAG

The JOAG Medallion

The JOAG Medallion serves as a constant reminder that we are officers in the Commissioned Corps. It also serves to remind us of certain characteristics an officer must have: generosity, elevation of mind, goodness, nobility, camaraderie, and the continuity of these ideals through time. The JOAG Medallion was developed in 2006 by fellow Junior Officers in the JOAG Professional Development Committee. **\$10 per coin**

USPHS Core Values Coin

The PHS Core Values Coin serves to remind all officers of the four Commissioned Corps Values: Leadership, Service, Integrity, and Excellence. As Commissioned Corps officers we should strive to be the embodiment of these values every day and all our actions should reflect these values. The PHS Values Coin was developed in 2007 by junior officers in JOAG's Professional and Development Committee. **\$10 per coin**

****Full Descriptions available on the website.**
