JUNIOR OFFICER ADVISORY GROUP
2011-2012 Voting Membership Biographies

LCDR Glendolynn Johnson, R.Ph., Pharm.D.
JOAG Voting Member 2010-2012

I am a 2nd year voting member of JOAG, serving as the JOAG Financial Liaison.

I earned my Bachelor of Science in Biology from Norfolk State University in Norfolk, VA and a Doctor of Pharmacy degree from Virginia Commonwealth University (VCU/MCV) in Richmond, VA. Upon graduation from pharmacy school, I completed a two year Post-Doctoral Pharmaceutical Industry Fellowship with Rutgers University School of Pharmacy and Novartis Pharmaceuticals. As a Fellow, I served as Adjunctive Faculty and a Clinical Trial Leader, respectively. In 2007, I was commissioned in the US Public Health Service and began working in my current position as a Senior Regulatory Management Officer in the FDA's Office of Generic Drugs, reviewing bioequivalence studies.

I am excited about my new role and look forward to working with fellow junior officers during the upcoming operational year.
