

JUNIOR OFFICER ADVISORY GROUP
2011-2012 Voting Membership Biographies

LCDR Heidi Hudson
JOAG Voting Member
2011-2013

Hi. I am a new voting member to JOAG and a new co-chair of the Professional Development Committee.

Since December 2008, I have been actively participated as a non-voting JOAG member, volunteer for JOAG's Professional Development Committee, and serving as the lead for JOAG's *Journeyman Speaker Series (JSS)*.

In February 2008, I was called to active duty as a Health Service Officer and have been serving for the National Institute for Occupational Safety and Health (NIOSH) within the Centers for Disease Control and Prevention (CDC). Currently, I serve as a Health Communication Specialist and an Interim Program Coordinator for NIOSH's Total Worker Health Program. In these roles, I am responsible for the planning, analysis and development of the total worker health program and providing leadership in the planning and implementation of workplace safety and health communication priorities, strategies, products and practices for effectively transferring workplace safety and health research into practice.

I earned a Master of Public Health concentrating in Health Behavior and Health Promotion and a Bachelor of Science in Education concentrating in Exercise Physiology, both from The Ohio State University. I served as Civil Servant for three years prior to being commissioned and a one year Health Communications Specialist Fellow under an Association of Schools of Public Health/Centers for Disease Control and Prevention Fellowship Program. I live in Cincinnati, Ohio with my husband and two children, ages 3 and 1.

I look forward to serving you in the upcoming year!
