**LCDR Kit Burnham**

JOAG Voting Member 2010-2012

I am a new voting member for JOAG, serving as the Therapist PAC Liaison and Co-Chair of the membership committee.

I earned my Bachelor of Science degree from the University of New England, Biddeford, Maine in 1994 and my Doctorate of Physical Therapy Degree from the University of New England in 2009. Initially I worked as a traveling therapist primarily traveling the east coast until 1997. In 1997 I moved to New Hampshire and worked at an Acute Care Hospital until 2003. In 2003 I worked for a private practice specializing in Spine care until 2007. Currently I am a Senior Physical Therapist for the Bureau of Prison at FMC Devens in Ayer, Massachusetts after being called to active duty in Jan of 2007.

I have been involved with JOAG since 2007. I have been a member of the Recruitment and Retention committee and the Interservices committee. I have been involved in many work groups and recently was the co-chair of the MWR sub committee for the Interservices committee.

Throughout my professional career as a physical therapist I was also a member of the U.S. Army reserve. I served as the head physical therapist and executive officer of a medical unit.

I look forward to serving you in the future.
