JUNIOR OFFICER ADVISORY GROUP
2011-2012 Voting Membership Biographies

LCDR Liatte Krueger
JOAG Voting Member
2011-2013

I am beginning my first year as a voting member of JOAG, serving as the Co-Chair of the Awards Committee and as the JOAG Pharmacy PAC liaison.

I earned my Doctorate of Pharmacy in 2006 from the University of Rhode Island. While attending URI, I was commissioned as a SRCOSTEP and moved back to my home state of New Jersey to accomplish my pharmacy externship rotations. After graduation in 2006, I moved to Rochester, Minnesota to begin my obligation for the Public Health Service's SRCOSTEP (Externship Program) with the Federal Bureau of Prisons. At FMC Rochester, I worked as a staff pharmacist from June 2006 until November 2009. Active involvement in multiple Public Health Service and FMC events helped the time move fast but after 3.5 years I decided I needed to move back east, closer to family and warm weather. Since November 2009, I have been stationed with the FDA – Office of Regulatory Affairs in their District Office in Parsippany, NJ. Here I am an Investigator with a focus on pharmaceutical and dietary supplement commodities.

I have been an active member of JOAG since 2006, with my early involvements rooted with the Recruitment and Retention committee. I previously served as Secretary of the R&R Committee for 1 year and then as Chair of the Alumni Contact Initiative for 2 years. This year I have been fortunate to be selected as a voting member for JOAG and am looking forward to the next 2 years in this capacity.
