JUNIOR OFFICER ADVISORY GROUP
2011-2012 Voting Membership Biographies

**LCDR Martin Guardia,
M.P.H.
JOAG Voting Member
2010-2012**

I am an at-large voting member of the JOAG, serving a second year as the Co-Chair of the Recruitment and Retention Committee for 2011-2012.

I have been an active member of this committee since I was called to active duty as a Health Service Officer in September of 2005; including one year as the Career Fairs Information Subcommittee Lead. My first duty station was with U.S Food and Drug Administration in the Office of Regulatory Affairs at the FDA New England District Office where I was in civil service for 3 years prior to converting to the USPHS. In 2009, I transferred to my current assignment with the FDA Baltimore District Office.

I have a Bachelor of Science degree in Biology from Radford University and a Master of Public Health degree from the University of Massachusetts. I am currently one of the Safety Officers for APHT # 3 and have served in many leadership positions within the New England COA branch.

I am excited about the second year of my 2 year term and look forward to working with fellow JOAG Officers during the upcoming operational year.
