PHSpharmacist.org Update
Given by LCDR Jeff Mallette

- Dev Patel will create a report of UPOC's by school from the .org site that can be posted to the PharmPAC Recruitment Section website. In addition, he will make available a report that allows all UPOCs to view events entered to ensure the UPOC does not duplicate entries.
- Dev Patel and Peter Vermilyea will update the .org with some new pictures and correct/remove some of the discussed links and pictures.
- CDR Peter Vermilyea will address all inquiries regarding user profiles and inputting events on the .org site - a contact link will be added on the .org site with Peter's e-mail.

Associate Recruiter Program Update

- Transition to new AR program is still on hold

Inactive Reserve Corps Update
Given by LCDR Jefferson Fredy

- The 14 officer IRC workgroup is currently working to update the IRC pharmacy contact list. There are 221 IRC pharmacy officers, of which only 71 officers had updated contact information in the PHS database. Thus far, the workgroup has found 18 additional officers. The search is continuing and a final report will be submitted upon completion.
