## July 2009 PharmPAC Meeting

- H1N1 issues being experienced and addressed on a case by case basis at a handful of institutions.
- Some concern with BOP promotion rate. Will assess and discuss strategy with BOP Regional Chief Pharmacists.
- BOP Pharmacist Vacancy List at an all time low. Currently at 8 vacancies with 3 or 4 more selections pending.
- As of 6-29-09, we have 147 PHS Pharmacists in the BOP, highest ever. Approximately 12 pharmacists are civil service.
