

Bureau of Prisons Report to PharmPAC

October 2011

Submitted: by CDR Rachel Rivera BOP-PharmPAC Liaison

- Central Office is hosting its National meeting the week of September 19th with all Central Office and Regional health care staff. This meeting is designed to review and discuss the Health Services Division Governing Board Integrated Strategic Plan and Best Practices.
- CAPT Martin Johnston, Chief of Pharmacy Logistics, and CAPT Chris Bina, BOP Chief Pharmacist are visiting the VA in Hines, IL the last week of September to discuss ways to maximize cost avoidance strategies.
- CAPT Martin Johnston, Chief of Pharmacy Logistics, Mr. Todd Davis, EMR Pharmacy Informatics Lead, and CAPT Chris Bina, BOP Chief Pharmacist, visited the University of Texas Medical Branch (UTMB) Correctional Managed Care's central fill pharmacy which is utilized to fill inmate medications for the Texas Department of Criminal Justice.
- BOP Medical Referral Center Chief Pharmacists, Central Processing Chief Pharmacist, BOP Chief Pharmacist, and EMR Pharmacy Informatics Lead participated in a national meeting the week of September 12th. The meeting was hosted by the Federal Medical Center in Rochester, MN and focused on issues specific to Medical Centers and how to prioritize enhancements for the Bureau's Electronic Medical Record Pharmacy Module (BEMRx).
