

Recruitment Section October-2011

Exec

CDR Thomas Hinchliffe, LCDR Kristen Maves, and CDR Aaron Middlekauff; LCDR Brittany Keener

- The recruitment section welcomes LCDR Brittany Keener as a new co-lead to the recruitment section for the 2012 FY. She will be replacing CDR Czarzasty. Thank you CDR Czarzasty for your service as a section co-lead.
- There has been creation of a Student Externship/COSTEP/Site Visit spreadsheet in which our UPOC's solicited and sent back information related to existing MOA/MOU's with universities in which PHS pharmacists have current collaborative agreements in place. This will allow us to provide and maintain a clearinghouse that CAPT Bresette's had previously maintained in the past. We also incorporated PHS pharmacies/sites that would take COSTEPs or would be interested in serving in the capacity for students or interested pharmacists to conduct a site visit at their location. This form has also been sent to be posted on the PharmPAC website. Thank you to CAPT Bresette and CDR Hollie Cook for assistance regarding initiation of this initiative.
- Student award nomination and evaluation process will begin soon.
- The ASHP conference has officially been funded and any officer that has not already done so may send their intent to assist to CDR Middlekauff at aaron.p.middlekauff@uscg.mil. As we get closer to the conference, further information will be disseminated to those officers that expressed interest in assisting with this recruitment initiative.
