---

### **Exec**

CDR Thomas Hinchliffe, LCDR Kristen Maves, and CDR Aaron Middlekauff; LCDR Brittany Keener

- There has been excellent collaborations with DCCR and CAPT Coppola that will help recruit other professions into the Commissioned Corps. We recognize CAPT Imholte, LCDR Zunic, and any others for volunteering to serve as POCs at these schools.
- The ASHP PHS pharmacy recruitment booth has been funded by DCCR. Four officer names will be sent forward for registration purposes and lead category volunteers. We certainly welcome and encourage any officer that will be present to assist in this initiative. If you have already submitted your name as being interested in assisting with this project, I will copy all officers via e-mail as further information becomes available certainly as we get closer to the conference dates in December.
- The student award nomination and evaluation process will begin soon. Once additional details are available, we will disseminate to the category.
