

Job Title:

Psychiatrist (Supervisory 05 Billet)

Job Description:

Member will complete initial evaluations of new psychiatric patients, maintain on-going caseload through follow-up visits, prepare military specific medical evaluations (i.e., MEBs/TDRs). Additionally, should be capable of managing patients of varying risk levels. Member should be capable of performing diagnostic assessments, ongoing pharmacologic and psychotherapeutic interventions in keeping with American Psychiatric Association guidelines and standards of care. Member may need to supervise staff at all levels including technicians, students, residents and providers.

At least 51% of this officer's time will be spent in clinical mental health work

Requirements:

A current, unrestricted, and valid medical license from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

A candidate must possess a qualifying Doctor of Medicine (M.D.) or Doctor of Osteopathic Medicine (D.O.) degree from a medical school that is accredited by the Council on Medical Education of the American Medical Association or Bureau of Professional Education, Committee on Colleges of the American Osteopathic Association, respectively. However, candidates who are graduates of medical schools that are not located in a U.S. State, District of Columbia, Commonwealth, Territory or other jurisdiction, or a Province or Territory of Canada, may be appointed if they are certified by the Educational Commission for Foreign Medical Graduates and meet all other requirements for appointment.

On-call responsibilities approximately 2-3 weeks per year.
