

This posting is open only to current active duty PHS and other current uniformed services members.

Job Title:

Clinical Psychologist, Minot AFB, ND (03 to 04 billet)

Job Description:

Provide direct patient care to beneficiaries, which may include active duty, family members and retirees.

Direct Clinical/Counseling Psychology. Responsible for and applies psychological procedures and techniques, including interviewing, behavioral assessment, cognitive-behavioral therapy, and psychological testing/psychodiagnostic testing, the evaluation, diagnosis, and treatment of psychological and neuropsychological disorders. The following are desirable skills:

- a. Individual, family, couples, and group psychotherapy, alcohol and drug treatment evaluations
- b. Consultation with medical personnel, legal authorities, military commanders, and school districts, as required
- c. Maintenance of accurate and current notes in both the Mental Health Clinic records and patient medical records of all patients seen, as appropriate, and produce reports of evaluation and/or treatment as required
- d. Participation in military specific training (for example, training to perform Command Directed Evaluations, security clearances, Military Training Instructor clearances, etc.)

Attend and participate in meetings during normal duty hours and professional staff conferences and other appropriate professional activities such as, but not limited to the following: Quality Improvement Meeting, professional staff meetings, Commander's staff meetings, Department meetings, and others required by applicable regulations, MTF guidance, or as directed by the Mental Health Clinic Chief or his/her delegated representative.

Conduct applied research and clinical investigations in clinical/behavioral health psychology.

USPHS officers assigned to Air Force MTFs would be expected to participate in the after-hours call schedule. In all cases, specific duties would be based on the needs of the local clinic. While USPHS officers assigned to an Air Force MTF should not necessarily anticipate filling a leadership position, such roles are not necessarily precluded.

(At minimum 51% of the officer's time will be in clinical mental health work.)

Requirements:

License: A current, unrestricted and valid license to practice psychology from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The candidate must possess a qualifying doctoral degree in clinical psychology from an American Psychological Association (APA) accredited university or professional psychology program. Shall have completed an APA accredited internship/residency in clinical psychology.

This position is for a minimum 3 year commitment.

Location of Position:

Minot AFB, ND
