Job Title:  
ARMY (3 Vacancies): **Psychologist** - U.S. Army Health Clinic-Schofield Barracks, HI (O-5 billet, Non-Supervisory)

**Job Description FOR CLINICAL PSYCHOLOGIST:**

Serves as Clinical Psychologist at Schofield Barracks Health Clinic, working under the administrative supervision of Behavioral Health. Experienced in the treatment of complex variations of psychological dysfunction / full spectrum of psychiatric diagnoses. Screens, interviews, assesses and provides routine support and crisis intervention services. Conducts psychological testing and integrates results of test data with psycho diagnostic interview data and data from other sources to formulate biopsychosocial diagnostic impressions, treatment plans, and recommendations. Diagnoses as appropriate in accordance with DSM. Provides direct care to include individual and group psychotherapy, training, consultation and other services typically provided by a clinical psychologist. Provides consultation to patients. Documents all treatment planning and work in a clear, communicable manner and in accordance with established DoD, Department of the Army and US Army Medical Command regulations and policies, meeting all Army, professional and Medical Treatment Facility standards. Provides guidance for case staffing, using expert knowledge of general and specific concepts, principles, procedures, and practices relating to psychological counseling. Participates in the Continuous Quality Improvement process, administrative and professional meetings, and staff duty requirements as do other equivalent team members. Provides emergent behavioral health services on a scheduled rotating, on-call basis to patients during both normal and other than normal duty hours to include screening patients for appropriateness of psychiatric hospitalization. Provides psychological and clinical consultation to leadership, other and paraprofessionals through established consultation channels. Attends, participates in and/or conducts internal staff development programs, obtains continuing education as required by state licensing, DoD, Department of Army and US Army MEDCOM regulations and policies. Maintains and enhances clinical practice skills. Maintains the highest standards of Professional conduct in relation to information that is confidential in nature. Shares information only when recipient's right to access is clearly established and the sharing of such information is in the best interest of the patient and in accordance with established regulations and laws for release. Participates in Performance Improvement activities as assigned. Communicates information that enables data collection and root cause analysis to identify opportunities for improvement. Adheres to and participates in mandatory HIPAA privacy program / practices and Business Ethics and Compliance programs / practices. Participates in special projects and performs other duties as assigned and in line with requirements of a uniformed officer and/or within the realm of professional expertise, discipline or ability. Requires ongoing compliance with productivity standards outlined in current OTSG/MEDCOM productivity standards.

Maintains all basic readiness standards as required by the U.S. Public Health Service. Requires a Secret clearance.
PHS officers assigned under this Memorandum of Agreement (MOA) must remain available for PHS deployments. Under this MOA, PHS officers are not authorized to deploy with the military.

**Requirements:**
License: A Ph.D. or Psy.D in clinical psychology from an accredited academic institution and have completed an APA accredited internship/residency in clinical psychology. A current, unrestricted, and valid psychologist license from a U.S. State (as defined in 42 USC 201 (f)) is required.

**Additional Requirements:**
Active Duty PHS Psychologist. Initial assignment term is a 3-year obligation.
