Job Title
Army: Clinical Psychologist, JFK Special Warfare Center and School, Fort Bragg, NC (O4billet)

Job Description
The primary responsibility of this position is to provide technical expertise, guidance, and direct clinical services in the area of psychology to members of the JFK Special Warfare Center and School at Fort Bragg, NC. In concert with the unit, the incumbent develops, plans, and initiates programs for treating behavioral health issues for unit Soldiers and family members. Assumes responsibility for management of referrals and disposition of referrals for behavioral health care. Provides professional development and awareness education to leadership and Soldiers as requested. Functions as liaison between the unit and other behavioral health assets at the local MTF. Provides a full range of direct professional services to include psychological assessment and individual, marital, family, and group treatment to unit Soldiers and their families. Performs other duties as assigned.

At least 51% of the incumbent’s time will be spent on direct mental health patient care and/or mental health clinical management.

Requirements
License: A current, unrestricted, and valid license as a clinical psychologist from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The candidate must possess a qualifying doctoral degree in clinical psychology from an American Psychological Association (APA) accredited university or professional psychology program. Shall have completed an APA accredited internship/residency in clinical psychology.

Additional Requirements
Must have a Secret or higher clearance. Must be willing to undergo pre-assignment screening and interview. In addition to routine clinical mental health care, must be willing to interact with Soldiers and leadership outside of the clinic office.

Minimum 3 year commitment.

Location Description
