

Job Title:

Clinical Psychologist: Multiple Locations (O3 to O5 billets)

Job Description:

Serves as staff psychologist and consultant to the command on clinical psychology issues. Provides a full range of direct clinical services to include psychological testing; evaluations; individual, group and family therapy; command and inpatient consultations; crisis intervention; supervision of trainees; and psycho educational classes. Also provides fitness for duty evaluations and corresponding military administrative dispositions of active duty patients. After-hours watch standing duties or psychology on-call duties may be required. Responsible for clinical and workload record keeping and various reports as assigned. May participate in empirical research, special program responsibilities, and organizational consultation. Participation in clinic staff meetings is required.

Requirements:

License: A current, unrestricted, and valid license as a clinical psychologist from a U.S. State, District of Columbia, Commonwealth, Territory, or other jurisdiction is required.

Training: The candidate must possess a qualifying doctoral degree in clinical or counseling psychology from an American Psychological Association accredited university or professional psychology program.

Shall have completed an APA accredited internship/residency in clinical psychology.

The incumbent must have at least one year post-doctoral experience.
